- **Duration:** 2019 - 2021
- **Website:** <https://projects.interreg-baltic.eu/projects/baltsenior-20-198.html>

Abstract

BaltSe@nior 2.0 provides Baltic Sea Region (BSR) institutions with inspiration and knowledge on creation of age-friendly public spaces and supports them in offering better services for citizens via innovative design, transnational cooperation and implementation of smart furniture solutions.

Key Facts

- The goal is to develop an interesting business idea to meet the challenge of aging and responding to public space needs while using smart furniture
- Creating durable change by setting up model demo spaces to show examples of senior-friendly public spaces, to facilitate knowledge and experience sharing and to build capacities enabling to multiply improvements
